# Unlock **The Box**

Voting access suggestions for Georgia

Sasha Azad
Andrew Nelson
Shanu Salunke

Queues at polling places can be so long that it turns away potential voters

Election monitoring systems

vip.gatech.edu/teams/e-democracy

Millennial voters are not engaged enough in voting and elections

```
"pollingLocations": [
  {
    "id": string,
    "address": {
      "locationName": string,
      "line1": string,
      "line2": string,
      "line3": string,
      "city": string,
      "state": string,
      "zip": string
    },
    "notes": string,
    "pollingHours": string,
    "name": string,
    "voterServices": string,
    "startDate": string,
    "endDate": string,
    "sources": [
      {
        "name": string,
        "official": boolean
      }
    ]
  }
],
```

Registered voter API

github.gatech.edu/SashaZd/smsVote

There is a low turnout and low awareness of elections among voters of color
